Every competitor shall either be a member of a Club affiliated to SR and must hold a current Competition Licence, or be an Associate Member of SR, or be a member of a Club affiliated to the recognised body governing rowing in his/her country. The competitor shall compete only under the name of that Club or an indirectly affiliated subsidiary of it.
- A2.** After the expiry of the third month of the subscription year a Club shall be deemed to be not affiliated for the purpose of these Rules until its affiliation fee for that year has been paid.
- A3.** No member of an affiliated Club may compete in any open event that is not held under the Rules of either SR or a body recognised by SR or FISA.
- A4.** The organisation and control of a Regatta under these Rules shall be the responsibility of the Committee organising the Regatta.
- A5*.** A Regatta Organising Committee shall appoint officials to carry out the duties specified in these Rules. No one shall act as an Umpire unless he is the holder of a valid SR, BR or FISA Umpire's Licence.
- A6.** A Regatta Organising Committee shall state on its programmes and official notices that the Regatta is to be held in accordance with the Rules of SR.
- A7.** No Regatta shall be held under these Rules unless its date, place and conditions have been approved by the Committee of SR. The Committee may refuse to approve a date that has not been submitted in accordance with the timetable specified annually by the Committee.
- A8.** If a Regatta does not take place on the agreed date, through exceptional or unforeseen circumstances, the Regatta Organising Committee may hold it on another date with the approval of the Board of SR.
- A9.** Every competitor in an open event and in an invitation event where a payment is required as a condition of entry (except events specified in rule E4 (k)) shall pay to the Regatta Organising Committee for the funds of SR such sums as may be determined by the Committee from time to time. - A12.** No Club shall make an entry for a Regatta abroad without the previous approval of the Board. No member of a Club shall compete in any such event unless he has been duly entered by his Club.
- A13.** All intending competitors shall apply, to SR, for a Competition Licence. The annual fee for this licence will be determined by the Committee from time to time and in the case of Cadets should only be for the insurance element. A licence applied for after the competitor has entered for a Regatta will be subject to a surcharge. Applications for a licence shall be valid for one year from the date of application. Competitors not in possession of a full licence on the day of a regatta may apply for a Regatta Day Ticket valid for the regatta in question. Payment of this regatta day fee will NOT be deducted from the fee necessary for a full licence when an application for a yearly licence is made.
- A14.** Competitors should only be entered for events by their Clubs and Clubs shall ensure that their entrants are properly qualified for the event i.e. are licensed, are the correct age and sex, and are the correct status. A Club making a wrong entry may be fined a penalty fee levied by SR and payable to SR.

Subsequent incorrect entries in the same calendar year may be fined double or triple the penalty fee. No club shall make entries to other events until outstanding penalty fees have been paid.

THE FINISH

- F26*.** The Judges shall decide the order in which boats pass the finish line.
- F27*.** In the case of a race umpired from a launch, the Umpire shall indicate to the Judges by raising his white flag when all crews have crossed the Finish line that the race is in order, and no protest has been lodged. If the race is not in order he shall raise his red flag.
