

Scottish Rowing 2026 Regatta Update

25/02/2026

General Housekeeping

- This call will be recorded.
- We will circulate the recording to attendees after the call. Please feel free to share with the relevant club members if they are interested.
- Please be respectful to the presenters and others on the call.
- We aim to keep this meeting to 1 hour.
- There will be an opportunity for questions at the end. If you would rather write questions in the chat box, please add them in the chat as we go. These will either be answered in the chat box or at the end with any other questions.

A reminder from December – potential changes

What we should have:

- Access to the loch
- Power
- Access to the start and finish towers
- A timing system
- Stakeboats
- Space for trailers and a catering tent
- Access to site 9-5
- Launches for safety and umpires
- Access to the Scottish Rowing Centre
- Access to the toilet block in the field

What we might not have and what we might need some help with:

- Launch drivers
- Access outside of usual operational hours
- Council staff to help set up the event site – set out racking, etc
- The usual schedule – races may need to be combined to maximise racing opportunity and lane utilisation
- Access to usual car parks and event field. We would need to know trailer logistics in advance to plan for getting you in and out of the venue

What we probably won't have:

- Showers
- Usual full schedule
- Long periods on site (expect later site opening and earlier closing)

The situation in February – potential changes

What we should have:

- Access to the loch
- Power
- Access to the start and finish towers
- A timing system
- Stakeboats
- Space for trailers and a catering tent
- Access to site 9-5
- Launches for safety and umpires
- Access to the Scottish Rowing Centre
- Access to the toilet block in the field
- Launch drivers
- Access outside of usual operational hours
- Council staff to help set up the event site – set out racking, etc
- The usual schedule – races may need to be combined to maximise racing opportunity and lane utilisation
- Access to usual car parks and event field. We would need to know trailer logistics in advance to plan for getting you in and out of the venue

What we might not have and what we might need some help with:

- Full schedule as usual
- Long periods on site (expect later site opening and earlier closing)
- **Different site layout/movement plan**

What we probably won't have:

- Showers

Entry Dates and Event Offer

- All events will be offered and will be the same as in 2025. Specific events will be cut or combined based on the number of entries.
- Spring Regatta Entries close on Thursday 26th March (a week earlier than usual).
- Scot Champs Entries close on either: Thursday 14th May (a week earlier than usual) or Thursday 21st May (usual closing date).

Entry Fees

Scottish Rowing Spring Regatta

- **£18 per seat** - 1,000m events
- **£20 per seat** - 2,000m events

Scottish Rowing Championships

- **£20 per seat** - 1,000m events
- **£22 per seat** - 2,000m events

Key principles behind the structure:

- A simple two-tier model based on race distance (1k / 2k)
- No adult / junior differential - athletes receive the same racing opportunity and awards
- A modest price distinction between Spring Regatta and Championships, reflecting the latter's status as our premier domestic competition
- Pricing remains competitive nationally

Scottish Rowing Championships in 2026

The Scottish Rowing Championships pricing reflects targeted improvements to the Championship experience, including:

- Winning coach recognition medals
- Introduction of Victor Ludorum club leaderboards and prizes (club / school / university categories)

Celebration of 1986 Commonwealth Games at Strathclyde Park on Saturday 6th June

And finally....

- BROE is still to come...
- We still need plenty of volunteers to help run the events.
