### How does the league work?

Schools submit individual's scores for each round, with points being awarded to schools for participation and for top performances across the country. The schools with the most points at the end of the four rounds wins.

## **Participant Awards**

There are Gold, Silver and Bronze awards available to those who participate in the Scottish Rowing Schools Indoor Rowing League. Individuals can earn an award for taking part in multiple rounds.

| Award  | Criteria                                   |
|--------|--------------------------------------------|
| Gold   | Participates in all 3 rounds of the League |
| Silver | Participates in 2 rounds of the League     |
| Bronze | Participates in 1 rounds of the League     |

## School Prizes

The overall winning school will be awarded the Schools League Shield. Pupils who rank within the top 5 of their year group in all 3 rounds of the League will be awarded a Schools League T-Shirt. All individual participants will be awarded a certificate for completing one or more rounds.

## How to enter

To enter you simply need to register your school using the registration form on the Schools page on the <u>Scottish</u> <u>Rowing website</u>.

The nominated contact for the school will then be sent the details of each round (including instructions for submitting results) and the league table after each round.

#### The Rules

#### Results

For each of the 3 rounds, races must be completed within the designated time frame with results sent in by end of day on the results submission date. You will be provided with instructions on how to submit results at the beginning of each round. Results will be made available following each round.

#### Scoring

Points are awarded to schools based on the number of participants they enter a result for, in each of the three rounds.

Performance points will also be awarded in each round for the top performances in each category across Scotland.

## Participation Points are awarded as follows:

## **Race Categories**

The race categories are the same for each of the 3 school-based rounds. The participant race category is determined by which school year they are in and their gender. All races are over a set time, for guidance on how to set a Concept 2 machine up to record a distance over a set time, please see the FAQ's document available for download on the Schools page on the Scottish Rowing website.

### Race times for each category are as follows:

S1 Boys and Girls - 2 minutes

S2 Boys and Girls – 3 minutes

S3 Boys and Girls - 4 minutes

S4 Boys and Girls - 5 minutes

S5 & S6 Boys and Girls- 6 minutes

Adaptive entries in all the above categories are also welcomed, please contact <u>league@scottish-rowing.org.uk</u> for more information.

#### Drag Factor:

The drag factor sets the resistance level of the rowing machine. We recommend that the drag factor on the machines should all be set to the levels stated below for young and/or inexperienced participants to protect them from lower back strain.

Female participants- 105 Male participants- 110

For guidance on how to set the drag factor, please see the FAQ's document available for download on the Schools page on the <u>Scottish Rowing website</u>.

Best of luck!
