

# How to Register with British Rowing as a Scottish Rower

Updated: March 2026

Scottish rowers wishing to compete for their Scottish club in England/Wales are required to have a separate British Rowing Membership.

To get this rowers must first have a Scottish Rowing racing license, please see the Membership page on the [Scottish Rowing website](#) on how to get a membership.

To gain a British Rowing Membership follow the steps below.

[Click here to go to  
British Rowing JustGo](#)

- Register on the British Rowing JustGo
- Ensure you fill in all your details, especially address and postcode.
- Select your club in the 'Club Finder' section, all Scottish clubs should be available, if not please reach out to British Rowing to get your club added.
- Go to the 'Membership' section and select 'Scottish & Overseas' category (this will show as £20 but will drop to free at the check out).

Top Tip: For the best experience, we recommend using the membership system on a computer or laptop, as some features may not display optimally on mobile devices.

**£20**

**Benefits**

- Access to race in British Rowing competitions
- Please note this membership is for people visiting specifically to compete in British Rowing affiliated competitions from outside England and Wales.

**Scottish & Overseas**

**1 Year Membership**

- Fill out the information regarding your competition history.
- Click confirmation statements and then select 'Finish'.
- You will be re-directed to your cart (if not select the cart in the top right) and select 'Check Out'.
- The cost should now be reduced to £0, you should be able to complete your order without being asked for payment. If asked for payment please contact British Rowing
